

Schedule for GEOL1121 (11-809) Fall 2009 - **Earth Process and Environments**

Meeting times: Tues/Thurs. 12:30 to 1:45 PM. Miller Student Learning Center, Room 150

Textbook: *Visualizing Geology* 2nd ed. by Barbara W. Murck, Brian J. Skinner, Dana Mackenzie

Available at UGA bookstore or you can purchase a 180-day subscription for \$44.50

www.coursesmart.com - type "murck" in the search field

Instructor: Dr. Paul A. Schroeder, Geology 329, (706) 542-2384, schroe@uga.edu

Teaching Assistant: Kristen Longfellow e-mail: wkris4dmb@uga.edu

Class web site: www.gly.uga.edu/schroeder/geol1121/

Date	Topic	Chapter(s)
August 18 th	Earth Systems	1
August 20 th	Atoms and Minerals	2
August 25 th	Mineral groups	2
August 27 th	Earth Materials	2
September 1 st	Geologic time	3
September 3 rd	Igneous rocks	6
September 8 th	Magma and Volcanoes	6
September 10 th	Exam #1	1,2,3,6
September 15 th	Weathering	7
September 17 th	Soils	7
September 22 nd	Sediments	8
September 24 th	Sedimentary rocks	8
September 29 th	Metamorphic rocks	10
October 1 st	Exam #2	7,8,10
October 6 th	Earthquakes	4,5
October 8 th	Earth's interior	4,5
October 13 th	Rock deformation	9
October 15 th	Streams	11
October 20 th	Drainage systems	11
October 22 nd	Groundwater	11
October 27 th	Exam #3	4, 5,9,11
October 29 th	Atmospheres	12
November 3 rd	Oceans	12
November 5 th	Waves and our coasts	12
November 10 th	Deserts	13
November 12 th	Glaciers	13
November 17 th	Atmosphere	13
November 19 th	Climate change	13
December 1 st	Exam #4	12,13
December 3 rd	Earth through time	14
December 15 th	Cumulative Final Exam 12:00 to 3:00 PM	All chapters above

Field Trips: Sign-up period is August 18th to September 1st, 2009.

Elberton Trips – October 4th or November 15th; Georgia Coast Trip - October 16th-18th, 2009.
